

# INTERNATIONAL CONFERENCE ON BIOPESTICIDES 7

Biopesticides: Shaping Human Health & Global Agriculture

19 – 25 October 2014

Side - Antalya / Turkey

## ICOB 7

## Second Announcement <http://www.icob7.org>

Dear Colleagues

On behalf of the Organising Committee, I extend a very cordial welcome to all interested persons to participate in the 'International Conference on Biopesticides 7' (ICOB 7) in Side, Antalya, Turkey from 19 to 25 October, 2014.

ICOB 7 2104, themed "Biotechnology: Shaping Human Health and Global Agriculture", will bring together a diverse and dynamic group of science, industry, government, community, farming and health industry representatives from all continents.

Sessions, presentations and discussions at ICOB7 2014 will cover all aspects of the current and potential uses of biopesticides from across the agricultural and health spectra (please visit <http://www.icob7.org> for all details). In the big 'picture', the program will facilitate international cooperation that achieves improved social, environmental and economic outcomes.

The splendid 5 star Sueno Resort, the conference venue in historic Antalya, provides outstanding accommodation, the latest conference facilities and a wide range of leisure opportunities in a marvellous seaside setting. With a multifaceted program that will inform and inspire, ICOB 7 2014 promises to be an exceptional event. I therefore urge you to register early and look forward with great anticipation to meeting you personally in Side - Antalya.

Sincerely yours

Dr Errol Hassan  
Chairperson, ICOB 7, 2014
