

Formating Guidelines for Poster

The author(s) is/are strongly advised to prepare the poster in advance.

Sections include Title, Author(s), Abstract, Introduction or Literature Review, Materials and Methods, Results (visual displays such as graphs & charts), and a list of key references.

Posters must be 100 cm high x 80 cm wide. Please prepare your poster so that it is easily readable from a distance. Include explanatory illustrations, if required – figures, tables, color photographs, charts, etc. Presenters will be required to attend their posters during a specified time period.
